## Reviewer Acknowledgments

The *Environmental Engineering and Management Journal* editorial staff is grateful to the Peer-Reviewers for their time and efforts in assisting with the reviewing of papers for issues 1-12 of volume 16/2017. The journal achievements and quality would not have been possible without the efforts of the Reviewers. We hope that we can continue to benefit from their expertise and support in the next year. Also, we wish to thank our subscribers, as well as everyone who reads and has confidence in our journal.
